

PANERA INTRODUCES FIRST-OF-ITS-KIND CROISSANT TOAST SANDWICHES TO LUNCH AND DINNER MENUS, LAUNCHES "IT JUST MEALS GOOD™" BRAND PLATFORM

Spring menu brings back seasonal guest favorites and introduces new Strawberry Chicken Caprese Salad

ST. LOUIS – April 16, 2025 – Panera Bread is once again redefining the meal experience with the launch of its innovative Croissant Toast sandwiches. Starting April 16th, the Croissant Toast Sandwiches headline a spring lunch and dinner menu refresh that also features the introduction of new menu items including the Strawberry Chicken Caprese Salad. The menu also features the return of perennial guest favorites Strawberry Poppyseed Chicken Salad and Mexican Street Corn Chowder at Panera® cafes nationwide.

The stars of the spring lineup, the Croissant Toast Sandwiches feature a sandwich bread made from croissant dough, which elevates the sandwich experience with toasty, buttery swirls and satisfying crunch. Guests can choose from two varieties for a limited time:

- **Croque Monsieur Croissant Toast:** Black Forest ham, melty provolone and asiago cheeses, and a caramelized onion and gruyere spread come together to make a ham and cheese sandwich that is completely reimaged.
- **Fromage Croissant Toast:** Melty provolone and American cheeses, caramelized onions, arugula, and garlic aioli transform a simple classic into something extraordinary.

"Our new Croissant Toasts are an innovative gamechanger for our sandwich menu. These unique sandwiches are curated with an all-butter, flaky croissant sliced bread, delivering a truly delicious product and experience like nothing Panera has had on its menu before," said Scott Uehlein, Vice President of Culinary, Panera Bread. "Its amazing appearance is only surpassed by its taste – a perfect balance of a crisp crust and buttery, layered interior that makes these menu items truly special. It's everything our guests love about croissants and sandwiches made into two irresistible offerings."

This exciting lunch and dinner menu innovation is supported by Panera's reenergized brand platform, "It Just Meals Good™," celebrating the meals that make Panera the perfect choice for any mood, and the various life moments and connections that make each meal truly meaningful. About Panera Bread

Our first cafe opened in 1987, founded with a secret sourdough starter and the belief that the best part of bread is sharing it. That vision led to the invention of the Fast Casual category with Panera at the forefront, serving as America's kitchen table centered around our delicious menu of chef-curated recipes that are crafted with care by our team members. We make food that we are proud to serve our own families, from crave-worthy soups, salads and sandwiches to mac & cheese and sweets. Each recipe is filled with ingredients we feel good about and none of those we don't because we are committed to serving our guests food that feels good in the moment and long after. While our company is now over 2,200 cafes strong, our values and belief in the lasting power of a great meal remain as strong as ever. We spend each day filling bellies, building empowered teams and inspiring communities. Nothing beats breaking bread together.
